

Controller identity and Contact information.

Securitas is represented in many countries, and it is generally your local Securitas company that is responsible for the processing of your data.

If you have any questions about the processing of your personal data, the Privacy Notice or otherwise wish to know more about our processing of personal data, or if you want to exercise your rights as above, you can contact our privacy team or Data Protection Officer using the contact information below for each respective country.

For some processing, Securitas Intelligent Services AB is the controller and where this is the case, you will be informed prior to any processing. In addition, Securitas Intelligent Services AB is the data controller for the personal data processing covered by this Privacy Notice for the following processing activities:

- if the organization that you work for is a **global client** of Securitas,
- if you are recipient of a service **which is sold directly to your organization** by Securitas Intelligent Services AB.

If Securitas Intelligent Services AB is the controller, please find the corresponding contact information below under "Securitas Intelligent Services AB."
